

ÇİZGİPET

EVCİL HAYVAN ÜRÜNLERİ

ABOUT US

ÇizgiPet Pet Products was established in Istanbul in 2017 through the partnership of Çetin Zencirci, Gökhan Güney, and İlknur Özdede. As of 2019, Çetin Zencirci and Gökhan Güney continued their presence in the world of commerce. Since its inception, ÇizgiPet has been actively involved in managing the franchise operations of renowned global pet product brands. With its headquarters located in Istanbul, ÇizgiPet operates across a vast distribution network that covers regions such as Bursa, Kocaeli, Sakarya, Yalova, and Düzce. In the pet industry, ÇizgiPet takes charge of sales and marketing activities for esteemed brands like Proone, Petline, Carnival, Herbamax, and M-Pets, along with cat litter brands such as Proclean, Sandy, and Cat's Grey. These brands are introduced to pet owners through professional recommendations, facilitated by veterinarians and pet shops.

ÇizgiPet remains committed to delivering its extensive network and a quality-oriented approach across Turkey, collaborating with select veterinary clinics and pet shops that share its core values.

Our aim is to enrich the lives of our beloved pets by expanding our range of products. We aspire to ensure their well-being and happiness through the introduction of new offerings.

PROONE
FOR HEALTHY PETS

%100 SODIUM BENTONITE

PROONE

FOR HEALTHY PETS

Natural scent refers to odors that originate from natural sources and are not processed or synthetic. These scents come from natural elements such as plants, trees, grasses, soil, animals, etc.

NATURAL | NO PERFUMED

%100 Natural clumping unscented sodium bentonite cat litter. Instant hard clumps. High natural odour control. 99.9% dust free. Ultra compact granules are soft on paws and ensures high liquid absorption with long life usage. Hypoallergenic, contains no chemicals or additives. Maintains a healthy environment for you and for your loved ones.

%100 SODIUM BENTONITE

Baby powder generally is formulated specifically for babies and has a very light and neutral scent. Essentially, the scent of baby powder is unscented or has a very light baby scent.

BABY POWDER PERFUMED

%100 SODIUM BENTONITE

PROONE

FOR HEALTHY PETS

Marseille soap is a soap made in Marseille, France in the 1800. It is made entirely from natural ingredients, with a large portion of the raw materials being olive oil.

MARSEILLE SOAP

%100 Natural clumping unscented sodium bentonite cat litter. Instant hard clumps. High natural odour control. 99.9% dust free. Ultra compact granules are soft on paws and ensures high liquid absorption with long life usage. Hypoallergenic, contains no chemicals or additives. Maintains a healthy environment for you and for your loved ones.

%100 SODIUM BENTONITE

Carbon is a chemical element with the symbol C and atomic number 6. It is a nonmetal, and is the 15th most abundant element in the Earth's crust. Carbon exists in several forms, including graphite, diamond, and coal.

ACTIVATED CARBON

PROONE
FOR HEALTHY PETS

**PROONE KITTEN MALT
PASTE 100 GR
8683143884120**

Cats need many proteins and vitamins to grow and develop healthily. A strong immune system allows cats to develop resistance to diseases. PROONE kitten paste supports general health and development for kittens and lactating cats, as well as contributes to the healthy growth of your kittens with its immune system-boosting content.

Product Analysis

Malt Extract, Vitamin E, Vitamin C, Taurine, Vitamin K3, Calcium, Vitamin B₁, Zinc.

**PROONE MULTIVITAMIN
PASTE 100 GR
8683143884113**

Cats need vitamins for important bodily functions. Vitamins support eyesight, bone growth and metabolism. In fact, every part of your cat's body needs vitamins for one reason or another. And each vitamin has a different role. For example, if your cat cuts her paw, one vitamin will help stop the bleeding, while another will repair the skin. With the support of 12 vitamins, 9 different minerals and Taurine in the content of PROONE Multivitamin Paste, it helps your cat to lead a healthy life.

Product Analysis

Malt extract, Oat flour, Vegetable Oils, Fish oil, Carob Powder

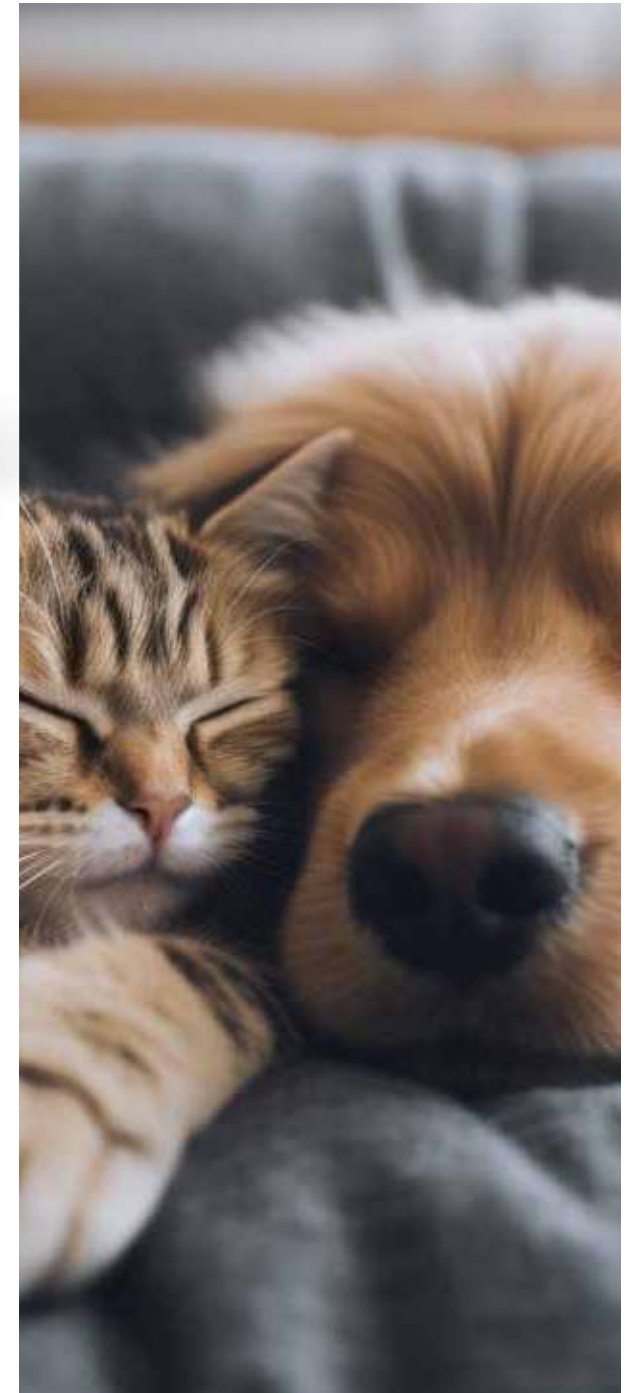

**PROONE EXTRA MALT
PASTE 100 GR
8683143884106**

Licking and cleaning for cats; It is an instinctive action to stimulate circulation and remove dead hair. As a result of these licks, hairballs develop and these hairballs pass to the stomach and then to the intestines. Because the matted hairballs are large in size and in the form of felt, it may be difficult to pass into your cat's stomach. In this case, your cat may experience serious health problems such as loss of appetite, vomiting, coughing and constipation. PROONE Extra Malt Paste helps to prevent these hairs from sticking together and matting and allows them to pass through the digestive tract easily.

Product Analysis

Malt extract, Oat flour, Vegetable Oils
Fish oil, Carob Powder, Biotin, Calcium

**PROONE STERILIZED PASTE
100 GR
8683143884250**

After the cats are neutered, they show changes in their metabolism and physical movements due to their living nature. Accordingly, some of our friends' nutritional needs come to the fore. PROONE Sterilized Paste provides the energy and vitamin support that neutered and older cats need without harming their metabolism, supports the urinary system thanks to the blueberry it contains, and helps them to digest and dispose of the hairballs that may occur in their stomachs with its quality malt extract.

Product Analysis

Malt Extract, Vegetable oils, Omega 3, Oat flour, Vitamin C, Taurine, Warnings.

**PROONE GLUCOSAMIN
CAT PASTE 100 GR
8683143884144**

With age, joint problems become more and more common not only in humans, but also in cats. Cat hip issues and other joint issues are a common concern for anyone who wants their cat to lead a comfortable and active life. Certain cat breeds are more prone to the risk of joint problems. Joint problems can occur in conditions that affect the musculature as a result of injury, age, general wear and tear. PROONE Glucosamine Paste helps your cat run around and play smoothly with its high quality and powerful composition containing Glucosamine, MSM, Vitamin C and Manganese.

Product Analysis

Glucosamine, Msm, Chondroitin, vitamine C, Manganese, Calcium.

**PROONE RELAX
PASTE 100 GR
8683143884243**

Cats are often nervous and can react sensitively when visiting the vet, forming new family relationships, moving, traveling, and more. In such cases, PROONE Relax Paste helps our friends to relax and relieve their tension, thanks to extracts such as chamomile, valerian and lemon balm.

Product Analysis

Malt extract, Vegetable Oils, Omega 3, Oat flour, Chamomile Extract, Valerian Extract, Balm.

**PROONE PUPPY
PASTE 100 GR
8683143884137**

The nutritional requirements of our canine friends differ according to their age and physical condition. For this reason, it is very important that especially the musculoskeletal structures can develop in a healthy way, especially in the growth and development phase of puppies. PROONE Puppy Paste plays an important role in growth and development with the vitamin B2 it contains; Thanks to the support of L-Carnitin and Calcium, it helps the healthy development of the muscle and skeletal structure of our puppies.

Product Analysis;

Malt extract, Oat flour, Vegetable oils, Caramelized Sugar, Fish oil, Carob Powder

**PROONE CAT - DOG
TOOTH PASTE 100 GR
8683143884618**

Toothpaste for Cats and Dogs

PROONE Toothpaste prevents plaque formation and provides better oral health by preventing tartar formation.

Its menthol flavor helps prevent bad breath.

PROONE Toothpaste does not contain fluoride and contains two enzymes (protease and glucose oxidase).

Protease destroys the protein structure of plaque before it binds with calcium to become tartar.

Glucose oxidase converts glucose into harmless gluconic acid. This process produces a small amount of hydrogen peroxide, which is antibacterial and will kill dental bacteria.

PROONE DRY CLEAN SHAMPOO 150 GR

8683143884212

It is a powder shampoo with vanilla extract that you can use for the cleaning of our pawed friends who do not like to wash.

Product Analysis; White color Powder, Vanilla Powder, Sodium bicarbonate
